

Accessories For Your Spiritual Ceremony

Contributed by Bella Prescott

For many couples, their wedding ceremonies are a direct reflection of their spirituality and beliefs in the sanctity of marriage. Whether you're Catholic, Irish or Christian, there are significant elements that will come into play at your wedding. Let My Spiritual Wedding help you find everything you need from handfasting ribbons to unity candles.

My Spiritual Wedding offers some of the most unique and detailed spiritual items for your wedding. Their wedding bibles are beautifully crafted for your special day, becoming a keepsake for you and your groom and an heirloom to your future children. Unity candles have long been a tradition in religious ceremonies, symbolizing the blending of two souls and two families into one. Browse through the many different unity candle sets that My Spritual Wedding has to offer to find something that fits your personality. A new wedding trend that is becoming popular for beach weddings and outdoor weddings is the sand ceremony. Instead of unity candles, the couples each have a vase of colored sand that they pour into one unique vase again, to symbolize the blending of two into one. My Spiritual Wedding has everything you need to create the perfect sand ceremony element, giving your wedding that ultra unique and special touch. All in all, if you're having a religious ceremony, let My Spiritual Wedding provide you with what you need to make your ceremony special.
